

# ICCNT 2026

ICCNT is becoming one of the leading international conferences for presenting novel and fundamental advances in the fields of communication and network technology. It also serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest in communication and network technology and related techniques. Following the successful ICCNTs in past seven years in Zurich in 2017, Stockholm in 2018, Amsterdam in 2019, virtual mode in 2020 and 2021, Paris in 2022, Madrid in 2023, Florence in 2024 and Amsterdam in 2025, the conference will be held in **Paris, France during September 7-9, 2026**. Welcome scholars and researchers working in the field of communication and network technology from all over the world to attend the conference and share your experiences and lessons with other enthusiasts, and develop opportunities for cooperation.

## Submission

Submission Methods:

- Submission System: <https://www.zmeeting.org/submission/iccnt2026>
- Submission Email: [iccnt@outlook.com](mailto:iccnt@outlook.com)

Templates:

[Word Template](#) | [LaTex Template](#)

Page Limit:

Submitted papers should be written in English only, including all figures, tables, references, and appendices. Each paper should be with at least 4 full pages.

## Publication

Submitted manuscripts will be peer reviewed by the conference scientific committees. Accepted and presented papers will be included in **Conference Proceedings**, and submitted for indexing by **Ei Compindex** and **Scopus**. The authors of the papers will be invited to participate in the ICCNT 2026 to display their research results.

After proceedings registration, some extended papers will be recommended to **Journal of Communications (ISSN: 1796-2021 (Online); 2374-4367 (Print))** for review, and accepted papers will be published as a special issue, which will be indexed by **Scopus**; DBLP; CrossRef, EBSCO, Google Scholar; CNKI, etc.

## History

2026 10th International Conference on Communication and Network Technology will be held in Paris, France during September 7-9, 2026.

## Contact

Conference Secretary: Sia Liu

E-mail: [iccnt@outlook.com](mailto:iccnt@outlook.com)

## Call For Papers

The main topics of interest include, but are not limited to:

Track 1: Computer Networks and Protocols

- Network protocols
- Network services
- Network estimation and processing techniques
- Algorithmic aspects of communication networks

Track 2: Wireless System Architectures

- Wireless multicasting, routing
- Robust routing
- Wireless broadcast, multicast and streaming
- Congestion and admission control

Track 3: Security, Authentication, and Cryptography

- Cybersecurity in Healthcare
- Wireless network security and privacy
- Blockchain and networks security

Track 4: Challenges in Internet of Things

- Cyber-physical systems
- Cloud and edge computing
- Industrial IoT - emerging technologies

Track 5: Software Systems and Applications

- Intelligent agents
- Communication theory and systems
- Software engineering support for pervasive applications

More information about topics, please visit:

<https://www.iccnt.org/cfp.html>

## Important Dates

**Submission Deadline: May 20, 2026**

Acceptance Notification Date: June 20, 2026

Registration Deadline: July 5, 2026

Camera-Ready Paper Submission: July 5, 2026

Conference Dates: September 7-9, 2026
